Job Title: ON – Air Talent

Stations: Lite Rock 95.9, Rock 93.7, 106.9 Kicks Country, News Talk 94.1

Job Description:

As the old PD says....let's edit and focus. We are looking for top talent in AC, Rock, Country, Sports and News.

What does top talent mean? MOTIVATED. FOCUSED ON CONTENT. READY TO WIN. WANTS TO LIVE IN A BEAUTIFUL AREA THAT'S GROWING.

And most importantly....LOVES LOCAL RADIO!

Stonecom Radio is hiring UP AND COMER air talent to join our team. We need the VERY BEST who are tired of the focus being on EVERYTHING but the product. We want people who believe in the art and craft of radio.

You do GREAT RADIO....we'll take care of making revenue FROM IT! Novel concept?

Not at Stonecom. Serving the Upper Cumberland of Tennessee, halfway between Nashville and Knoxville, we are LOCAL RADIO done by LOCAL PEOPLE with LOCAL OWNERS in the building. Owner worked in major markets for nearly 20 years so he knows how to do it. And he wants you to be a part of making us the BEST community radio stations in the SOUTHEAST!

If you are a great air talent...and want the time to work on a great show.....apply NOW at hr@stonecomradio.com. Must be someone who does CONTENT....NOT liners.

Read and understand that again: CONTENT is novel, inspiring, fun, heart-warming, answer-seeking, question-causing, music-loving, community-based TALK BREAKS! If you believe a great break is nailing the post with a preview of the next 3 artists you will play, PLEASE do not waste an email.

We have a cast of award-winning broadcast talent in the building WHO WILL HELP YOU GROW....if you help US grow.

This includes news and sports REPORTERS! We are NOT looking for talk show hosts.

EMPLOYMENT OPPORTUNITY

Tired and negative? Don't apply. Job jumper? No thanks. Think anything smaller than Atlanta is Hicksville, good luck. Love radio? APPLY NOW! We want you. HR@StonecomRadio.Com.

Please send (a) aircheck, (b) writing samples if interested in news and sports and (c) a list of your top 3 broadcast passions BESIDES being on the air (production, public affairs, sports coverage, imaging, digital, etc).
